**Animals**

Owners of dogs in Town of Bangor must purchase a yearly license for each dog. Contact Patsy Manke, the Town of Bangor Treasurer, at 608-451-2579. License cost for a spayed or neutered animal is $11.00. Cost for non-altered animals is $21.00. License must be obtained between January 1 and April 1. They may be purchased from the Town Treasurer January 1-31. After that they may be obtained from the County Clerk. Puppies must be licensed once they are five months old.

To report a lost or found animal, call the Coulee Region Humane Society. You may also contact them if you find it necessary to surrender a pet. If a person has been bitten by an owned animal, please contact the Sheriff’s Department to initiate a bite report. If the animal is running at large contact Animal Control at the Coulee Region Humane Society.

**Elections and Voting**

**Voting:** Residents of the Town of Bangor may vote between 7:00 am and 8:00 pm at the Bangor Town Hall, located at N4400 State Road 162, Bangor Wisconsin.

**Voter Registration:** If a resident has not voted in the Township, or has a change of address, they must fill out a Voter Registration Form. They must show proof that they have lived in the Township for 28 days prior to the election. Acceptable forms of proof can be driver’s license or utility bills. For more voting information and registration visit www.myvotein.org

**Absentee Voting:** Absentee voting can be done by mail or in person.

To vote by mail, the resident should contact the Town Clerk, Louisa Peterson and arrange to vote. Recent law changes restrict voting to the two weeks prior to the election. Absentee voting ends the Friday before the election No ballots can be cast the Saturday, Sunday or Monday before the election.

To vote by mail, the resident must contact the Clerk and request a ballot by phone or mail and request to have a ballot mailed to them. The resident can then vote and mail the ballot back. Absentee voters require a witness to their voting that stipulates they are who they say they are.

**College Students' Residence:** Students may vote using their school address or their parents' address, but not both.

**911 Fire Number Signs**

The Town of Bangor has the responsibility of overseeing the 911 Fire Number System in the Township and seeing that fire numbers are in the proper location and easy to read.

These signs serve three main purposes: the first is to locate a site if an emergency occurs, the second is for the delivery of mail, and the third is to identify a specific property, tax parcel or lot.

Because of the first purpose, signs are placed in more locations than those needed for mail. Signs may be located by agricultural buildings where no residence is occupied but where a tractor rollover could happen. Public lands where people participate in recreation (horseback riding and skiing) are also assigned 911 numbers. Even telephone towers are assigned a number.

This program went into effect in 1980 and the first signs were paid for with a grant. Fire numbers are assigned by the County Zoning Department. Many Bangor signs need replacing. The Town Board will do a yearly inspection of all signs each spring and identify those that need replacing.

The maintenance of this system is a joint effort of the Town of Bangor and its residents. When signs need to be added or replaced, the Town orders the signs and installs them. Guidelines for placement of the signs say they should be 33 feet from the middle of the road and 9 feet to the right of the driveway. This placement removes them from much of the damage caused by snow plowing. There is some flexibility in the placement for obstructions, buildings etc.The homeowner should keep the sign free of bushes and grass that would obstruct its view.

The cost of the sign and post (if needed) is an expense of the owner. It will be billed to them and/or placed as a special charge on their property tax bill. Ordering the signs and installation will be done by the Town of Bangor.

Throughout the year new signs are also assigned when new construction occurs.

If homeowners want to have a new sign before the Board has indicated it necessary, they may contact the Clerk and be placed on the list for the next batch ordered.

**Unacceptable Garbage**

**Hazardous materials**

Cleaners, solvents, gasoline, oil, or other toxic, corrosive, explosive, or highly combustible materials may not be placed in the regular trash. Refer to the front page to see which hazardous materials are accepted at the La Crosse County HHM Site. For questions, call 608-785-9999.

**Vehicle parts, 250-gallon gas/fuel oil drums, other metal weighing 10 pounds or more**

Take such materials to a salvage yard.

**Commercial waste**

Waste generated from commercial businesses is not accepted at the Drop-Off Site. Businesses must contract for refuse disposal.

**Commercial appliances**

**Agricultural Waste**

See next page for more information.

**Construction Debris**

See next page for more information.

**CLOSED FRIDAYS AND HOLIDAYS**

See outside of brochure for more Information
The Town of Bangor maintains a collection site at the Town Hall & Shop N4400 State Road 162, Bangor Wisconsin
You may bring garbage and recyclables to this site Friday from 1:00pm to 5:00pm and Saturday from 8:00 am to noon, closed holidays. An attendant will be on site to direct you to the correct placement of your waste products and to collect any necessary fees.

**HHM Reuse Room**
The La Crosse Household Hazardous Materials (HHM) Site will accept unneeded material that may be of use to others such as paint, paint thinner, mineral spirits, lacquer, garden chemicals and fertilizer.

**Garbage**
Garbage bags may be purchased at Hansen's IGA, in the Village of Bangor and at the collection site. These bags are clear and have Town of Bangor printed on them. Fill them with garbage only. By sorting your waste into the appropriate containers you will spend less on bags. Kitty litter should be placed in bags with your garbage. See green box on page 2 for unacceptable garbage.

**Recyclables**
Glass jars and bottles, with caps removed, tin and aluminum cans (including empty aerosol cans), plastic (#1 and #2 only) and liquid cartons like juice boxes can all be recycled. They are placed in a dumpster for commingled recyclables. Do not place wire in this container, as it causes problems with the sorting machines. Do not place ceramics, light bulbs or window glass in this container.

**Paper Products**
Newspapers, including ads on shiny paper, and cardboard are recycled. Keep them separate from other recyclables by putting them in a paper bag. There is a dumpster inside a building for these products so they are kept dry. Break down all loose boxes.

**Appliances**
Stoves, refrigerators, ovens, freezers, dishwashers, clothes washers and dryers, furnaces, boilers, water heaters, microwaves, air conditioners and dehumidifiers can be brought in to be recycled. A fee of $25.00 is charged per item. Countertop appliances are charged a fee of $2.00 per item.

**Large Items**
Large items like mattresses, boxsprings, rolls of carpet and pad: $25.00 each. Rolls of carpet and pad: $15.00 each. Couches and chairs: $20.00 each.

**Oil Filters**
Used oil filters are no longer accepted at the Town of Bangor Collection Site. The Household Hazardous Waste Center (see outside of brochure) accepts them at no cost to La Crosse County residents.

**Light Bulbs (tube & compact)**
Fluorescent light bulbs can be taken to the Town of Bangor collection site. Place them inside the building in the designated spot. The Household Hazardous Waste Center (see outside of brochure) also accepts them at no cost to La Crosse County residents.

**Tires/Automotive Batteries**
Tires may be dropped off for a fee. Car tires up to 16": $10.00 each. Truck tires 16" and larger: $15.00 each. Tractor tires, all sizes: $25.00 each. Tires on a rim will be charged an extra $5.00 per tire.

**Agriculture Waste - Not Accepted**
Ag waste includes plastics used to make silo and haylage bags, bunker silo covers, greenhouse covers, bale wrap, mulch film and other flexible products. These can be placed in the large-item dumpster that goes to the landfill. Bringing agricultural waste products in as you empty them is preferable to bringing a year's supply at once as the weight is easier to handle in small batches.

**E-Waste**
Electronics can be recycled. Computer towers, laptops, keyboards, mouse, scanners, printers, hard drives, circuit boards, etc.: fee of $5.00 each. Televisions and computer monitors: a fee of $20.00 each. Television accessories (VCR/DVD players), gaming consoles, cable television receivers, etc.: a fee of $5.00 each. For more information on E-Waste visit www.eylewisewisconsin@dnr.wi.gov/topic/recycle

**Salvaged Items**
TV's and other appliances that have been salvaged are not accepted and sent to La Crosse HHM Program. See fees and information on Page 4 under E-Waste Recycling.

**Construction Debris - Not Accepted**
Commercial construction waste like shingles and drywall are not acceptable. Contractors must contract with a hauler for their removal.

**Quantum loads**
If large quantities of trash—like pickup loads—are brought to the collection site, the charge is $10.00 for a car, $20.00 for a van, SUV, $15.00 for a 1/2 pickup load, $25.00 for a pickup load and $25.00 per axle for a trailer. The town site attendant has the authority to determine the charge for the load. Load charges DO NOT include charges listed separately in this brochure.

**Disposal of Yard Waste and Brush**
Yard waste consists of grass, leaves, and brush and should be composted on your property if possible. You may burn it by calling the Town Chairman, Don Numsen, 608-769-4567 to request a verbal burning permit, if weather conditions are favorable.

**How to Prepare Recyclables**

**GLASS:**
- No light bulbs, dishes, glassware, window glass, ceramics.
- Remove lids and metal rings, empty, and rinse clean.

**TIN CANS:**
- Empty food, paint, aerosol cans only!
- No chemicals, scrap metal, or vehicle parts.
- Empty, rinse clean, and remove labels. Ends of cans can stay attached.

**ALUMINUM:**
- Cans only!
- Drain liquid and rinse cans clean.

**PLASTIC:**
- Containers/Bottles only!
- No plastic packaging or Styrofoam.
- Look for #1, #2, #4, #5 mark
- Rinse clean.

**CARTONS:**
- Milk, juice, broth, soup, and other food & beverage cartons
- What is a carton? It’s a type of food and beverage packaging. There are two types: shelf-stable (bread, soup, soy milk, juice, milk, wine) and refrigerated (milk, juice, cream, egg substitutes).
- Drain liquid, rinse clean.

Place glass, tin cans, aluminum cans, plastic, paper, cardboard and cartons together loosely in recycling tote.

**NEWSPAPERS/MAGAZINES/CARDBOARD/CHRISTMAS LIGHTS/EXTENSION CORDS**
Junk mail, cardboard and cereal boxes with cut linen. NO SHREDDED PAPER.
- Newspapers (including shiny inserts), magazines, and telephone books are acceptable.
- Christmas Lights/Electrical Extension Cords

**Please Note:**
The Town recycles ONLY the items listed in this brochure. Items such as smoke detectors, wrapping paper, plastic bags, aluminum can containers and metal containers should be placed in your regular trash.

SAFE TRANSPORTATION OF HAZARDOUS MATERIALS
1. Never mix chemicals.
2. Bring items in original containers or clearly mark contents. Tell facility technician if you are unsure what is in a container.
3. Tighten all covers and lids.
4. If a container is leaking, pack it separately in a leak-proof pail or tub.
5. Avoid spills. Place waste containers upright and place securely in the trunk or back of a truck or van. Do not transport waste containers in vehicle passenger areas.
6. Gasoline should be transported in a designated red safety container.
7. Motor oil should be transported in a durable and leak-proof container labeled with the words “Used Oil.”
8. Tape the terminal ends of batteries with clear tape to prevent arcing. Do not co-mingle batteries with chemicals.
9. Transport fluorescent bulbs securely to avoid breakage. Do not tape bulbs together.
10. Upon arrival, pull under the HHM canopy and remain in your vehicle with the engine shut off.

Sharps & Needles
- Needles, syringes, auto-injectors (EpiPens) and lancets must be transported in sealed, puncture-resistant containers.
- Container options include a standard red sharps container or a thick plastic laundry detergent bottle with screw on cap. All containers must be labeled with the word “SHARPS.”
- Additional sharps collection sites can be found on the Alliance to HEAL website.

Preparation & Transportation

The La Crosse County HHM Program is available to assist small businesses and organizations with their hazardous material disposal needs. We also offer complimentary audits to help with identifying these waste streams. For more information, call us at (608) 785-9999 or visit our website to download a VSQG qualification packet.
